

S2C Speller Access Fund Application

Please completely review all of the following information before filling out this application. Please print clearly and provide all the required information. Only eligible and complete applications can be considered.

I-ASC's S2C Speller Access Fund provides qualifying individuals with the following:

- Set of stencil letterboards
- 2 workbooks
- 5 sessions with a registered S2C Practitioner participating in the Speller Access Fund Program.

Qualifying applicants are individuals who are nonspeakers, minimally speaking or unreliable speaking. Funding for this program is limited. It is intended only for families in need of financial assistance who are otherwise unable to obtain access to Spelling to Communicate (S2C) and is open to US or International individuals.

Eligibility Requirements

You must meet the following criteria to apply:

- The individual you are applying for must be 7 years of age or older.
- Only parents or legal guardians may apply on behalf of their child/adult.
- A Communication Regulation Partner (CRP) is an adult who is committed to learning and helping the individual to use Spelling to Communicate effectively and must be available several days a week. Understand that an S2C Practitioner will get you started and support you along the way, but the work is done at home. Only with repetition and practice will S2C be successful.
- Contact I-ASC to locate a participating registered S2C Practitioner for you to work with. Email info@i-asc.org for information on an S2C Practitioner near you.

Please initial each line indicating your agreement:

_____ I agree that an appointed individual or I will be a committed CRP for my child/adult.

_____ I understand that these funds are dispersed directly to an I-ASC registered S2C Practitioner of my choice to be used only for our S2C sessions.

_____ I confirm that I need to choose a registered S2C Practitioner participating in the Speller Access Fund. Upon acceptance, I-ASC will provide a list of registered and participating S2C Practitioners in my area.

_____ I understand that I cannot apply for funding to pay for already-completed sessions with a practitioner. This fund is for future appointments only.

_____ I understand that I-ASC is not able to provide funding for travel expenses to see a practitioner.

_____ I agree to complete a follow-up survey with I-ASC one year after receipt of the funds.
